

Dear guests,

we are pleased to welcome you again as guests at Camping Kirchgarten. YOUR health and the health of our employees is our top priority.

For this reason, the adherence to the posted hygiene requirements and regulations for your stay at Camping Kirchgarten is binding for everyone..

### Remember the general hygiene tips:

1. wash your hands regularly and thoroughly

2. Keep hands away from the face

3. Sneeze and cough in the crook of your arm

4. Keep at least 1.5 metres away

5. Avoid crowds / group formation.

6. observe posted and legally applicable regulations n

(see [www.camping-kirchgarten.de](http://www.camping-kirchgarten.de))

**Please use the infrastructure in your own caravan or motorhome as far as possible**

## The following symptoms may indicate corona disease:

- sore throat
- cough
- muscle and joint pains
- high temperature / fever
- acute headaches

If any of these symptoms occur during your stay, please stay in your accommodation and inform the reception or a representative at 07661 / 9040910 and follow their instructions.

---

## Use of the playground:

The use of the playground is also subject to restrictions. The playground may only be entered when accompanied by a parent or guardian. The accompanying parent or legal guardian is responsible for compliance with the instructions posted at the playground.
